Subject: REDACTED version of Defense Filing of April 27, 2010

All –

Please see attached redacted (unclassified) version of the Defense Filing of April 27, 2010. I apologize for the delay in getting this to the Court.

While the document has been reviewed by the relevant intelligence agencies, and their redactions have been provided and subsequently deleted from this document, I will leave it to the Court's discretion as to whether it remains "Under Seal" for purposes of the Court's docket. Nonetheless, these documents may now be accessed and stored sans classified document security handling procedures, and at minimum, the same as other materials under seal.

Thanks for everyone's patience, please don't hesitate to contact me if you should have any questions – otherwise I will see you all next week.
